Present: Council members Bemenderfer, Carlson, Hallquist, Weseloh and Mayor Hungerford (5)

The Council reviewed the City Engineer's report as follows: Based on our review, the city does not have any utilities located within the alley and is not currently utilizing the alley for any purpose. If the alley is vacated, a permanent utility easement will need to be maintained if there are any other private utilities located within the alley right-of-way.

Motion by Bemenderfer, seconded by Carlson to approve vacating 22.2' x 90' alleyway between Lots 4 & 5, Block 1, Olive E Nelson Addition pending release from any other private utilities which may be located within the alley right of way. If there are any private utilities located in the alley way a permanent easement will be maintained. Motion carried unanimously.
