

CITY OF DASSEL RESIDENTS CITY WIDE CLEAN UP DAY

City Wide Clean-up Scheduled for Saturday, May 20, 2017: The Clean-up effort will allow the city, under contract with Waste Management, to do a curbside trash and miscellaneous pickup at no additional cost to residents. This will allow everyone with unsightly materials and trash to eliminate them from their property at **no cost to homeowners**. Everyone is encouraged to participate in sprucing up your neighborhood.

Document Shredding: New this year, document shredding has been added. You may drop off any documents you want shredded at the Dassel Liquor Store parking lot, during the **City Wide Clean-up Saturday, May 20, 2017 from 9:00am – 1:00pm**. **This service is free of charge to Dassel City Residents.**

Appliances, Electronics and Other Materials Requiring Recycling: All materials listed below must be taken to the central drop site (the Dassel Liquor Store parking lot) during the **City Wide Clean-up Saturday, May 20, 2017 from 9:00am – 1:00pm**. There will be charges connected with this service as noted below. Elderly or handicapped residents can arrange to have their appliances, electronics, and other materials picked up at curbside by stopping by City Hall prior to May 18th and paying for the disposal service.

Recycling prices* are as follows:

Appliances w/Freon: \$10.00 (Refrigerators, freezers, air conditioners, dehumidifiers)	Electronics w/screens <7": \$5.00 Electronics w/screens 7"-27" \$20.00 Electronics w/screens >27" \$40.00
Appliances w/o Freon: \$5.00 (Washers, dryers, microwaves, dish washers)	Tires: < 16" w/o rims \$5.00 Tires: <16" w/rims \$10.00 Tires: 17-20" w/rims \$15.00 Tires: 20-22" w/rims \$30.00
Car batteries FREE	

For additional items see website: www.dassel.com

*All prices are for the drop off site at **Dassel Liquor Store parking lot**. Items left curbside will incur an additional \$3.00 pickup charge per item to the prices listed above. Most scrap metal can be dropped off at Dassel Liquor Store free of charge.

Attention: Household hazardous waste and florescent bulbs are NOT a part of this Clean-up. Florescent bulbs may be recycled at City Hall during normal business hours.
